### Section I.c Program Enrollment

**Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.**

Total number of students enrolled in 2011-12:	322
Unduplicated number of males enrolled in 2011-12:	107
Unduplicated number of females enrolled in 2011-12:	215

### Section I.d Supervised Experience

Provide the following information about supervised clinical experience in 2011-12.

Average number of clock hours of supervised clinical experience required prior to student teaching	100
Average number of clock hours required for student teaching	560
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	5
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	27
Number of students in supervised clinical experience during this academic year	106

**Please provide any additional information about or descriptions of the supervised clinical experiences:**

Number of adjunct faculty supervising clinical experience during this academic year represents the actual number of adjuncts and not the full-time equivalent.

Number of students in supervised clinical experience during this academic year is the number of students in actual student teaching experience. It does not include students doing field experiences or observations as a part of an assigned course.

### Section I.e Teachers Prepared by Subject Area

**Please provide the number of teachers prepared by subject area for academic year 2011-12. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))**

#### Section IV. Low-Performing

**Provide the following information about the approval or accreditation of your teacher preparation program.**

**Is your teacher preparation program currently approved or accredited?**

Yes

**If yes, please specify the organization(s) that approved or accredited your program:**

State

NCATE

Other (specify: North Central - Higher Learning Commission)

**Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?**

No

#### Section V. Technology

**Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.**

**Does your program prepare teachers to:**

- **integrate technology effectively into curricula and instruction**

Yes

- **use technology effectively to collect data to improve teaching and learning**

Yes

- **use technology effectively to manage data to improve teaching and learning**

Yes

- **use technology effectively to analyze data to improve teaching and learning**

Yes

**Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.**

An instructional technology course was added to the curriculum options in Spring 2012. Instructors use technology in teaching as a way to model usage. Assignments are given in core courses that require technology use. Resources are available through our library to enhance use of technology. Some courses in the program are offered as an online option to provide that experience for candidates.

## Section VI. Teacher Training

**Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.**

**Does your program prepare general education teachers to:**

- **teach students with disabilities effectively**  
Yes
- **participate as a member of individualized education program teams**  
Yes
- **teach students who are limited English proficient effectively**  
Yes

**Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.**

Two courses (5 semester credit hours) are required for all candidates in teacher education. Both include instruction in individualized education program teams and also include field experiences. One course (3 semester credit hours) is required of all early childhood, elementary, and middle level candidates in ESL instruction methodology.

**Does your program prepare special education teachers to:**

- **teach students with disabilities effectively**  
Yes
- **participate as a member of individualized education program teams**  
Yes
- **teach students who are limited English proficient effectively**  
Yes

**Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.**

Our new special education program started in Fall, 2010 and includes the same elements as those listed above. It expands on this with coursework addressing multiple special needs areas - mild/moderate disabilities, learning disabilities, and behavior disorders. It includes instruction in American Sign Language, adaptive physical education, and assessment, evaluation, and IEPs.

## Section VII. Contextual Information

**Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.**

All candidates seeking an endorsement in early childhood, special education, elementary, or middle level also complete a 3-hour course in Foreign Language Instruction to prepare them for working with students who do not have English as their first language. A 15-point Conceptual Framework is used for evaluation purposes. Self-evaluations, instructor evaluations, cooperating teacher evaluations, and university supervisor evaluations are all coded to the Conceptual Framework. This information on all candidates is reviewed annually.
